Saraswati Shishu Mandir, Vindhyanagar   Apr. 2017 – May 2018
High School - **Percentage - 97.4%**   *Singrauli, Madhya Pradesh*

Experience

SelectorsHub, IT Services and IT Consulting   June 2023 – July 2023
WordPress Developer Intern (2 mon)   *Remote*

- Developed and maintained **SelectorsHub** websites, ensuring optimal performance and user experience. Collaborated with the development team to design and implement new features and functionalities.
- Customized and optimized **themes** and **plugins** to meet specific client requirements.
- Utilized **Elementor** to create and customize web pages, improving design efficiency and client satisfaction.
- **Completion Certificate**

Projects

BookStore | *Tailwind CSS , DaisyUI, MongoDB, React Js, Express*   **1 week**

- Developed a responsive bookstore website for seamless browsing across all devices. Integrated user-friendly functionalities such as signup, login, and access to a diverse range of free books.
- Enhanced user engagement by incorporating a contact feature, allowing users to send inquiries along with their email address.
- The project uses **ReactJS** to render all the data coming from the backend to the screen and make the website user-friendly.
- **ExpressJS** provides authentication, and **Mongo DB** is used to store the data of the users and the books.
- It mainly uses **Tailwind CSS** and **Daisy UI** for styling.
- **Live site here**
- **Github Code**

HBTU Website | *HTML,CSS, Bootstrap*   **1 week**

- Designed and built a website for my college, HBTU, making it easy for users to find and explore different departments at their convenience.
- It mainly uses **Bootstrap** for styling. It is built using a collection of pre-designed **HTML, CSS**, and components.
- **Live site here**
- **Github code**
